The “VOICE” has been silent too long! The CVCA (Chevington Village Civic Association) is seeking your help. Let’s re-invent the “Village Voice” to keep our members informed as to what’s happening in and around our neighborhood. Some of you may be on the website ‘Nextdoor’ and that’s good, however, the website [www.chevingtonvillage.org](http://www.chevingtonvillage.org) is made up strictly of our subdivision only. Both sites are helpful and recommended.

Following is information you need to know:

--A trustee has resigned which leaves us with only the undersigned three people. Per the ‘Charter & Code of Regulations’, the board of trustees is required to have five (5) members. As of this date, we are seeking two trustees to be added to the team. These two spots need to be filled immediately to help keep our governing body running smoothly and efficiently. We welcome new members and ideas! No special skills or background is required! You just need to be a member in good standing (meaning you have paid your membership dues) and have a willingness and desire to help maintain and improve our community. Go to the website [www.chevingtonvillage.org](http://www.chevingtonvillage.org) and submit your name or notify any of the present trustees listed below. We really are a friendly bunch and look forward to working with you!

--Information on becoming a trustee and other important information regarding your property ownership and compliance may be found on our website under Documents entitled ‘Charter & Code of Regulations’ and ‘Deed restrictions’. Your realtor should have supplied these documents to you when you purchased your property. If these important documents have become lost, strayed or stolen; a copy can be found at the following website [www.chevingtonvillage.org](http://www.chevingtonvillage.org).

-- It is our intent to keep this a desirable neighborhood and in order to meet this objective, all deed restrictions must be adhered to and payment of annual dues must be met. In consideration of all residents/neighbors, violations of deed restrictions will be pursued and any delinquent membership dues collected.

--Improving the experience of all residents of Chevington Village is accomplished through the payment of membership dues, volunteers, and ideas from you! If you have ideas to make our neighborhood a better place or if you have time, skills or services that you would be willing to volunteer please contact us!

--A 2015-2016 financial statement as of April 30, 2016 is included with this mailing.

Thank you and please consider becoming a trustee of CVCA.

The following trustees were appointed May 3, 2016.
